1	My instructor, Valerie Warner often excludes me from being a part of the class by overlooking me. She doesn't respond to me raising my hand and asking for assistance. That has effected my grade and the feeling of being successful in her class. 2	I am very dissatisfied with the staff because they are not fair towards the students and believe everything that other staff members say. I have found that a lot of reported incidences have been swept under the rug when it should have been dealt with immediately. They do not document incidences when reported by students but when it is reported by staff they are quick to do so. I have been very dissatisfied with my years at Morris College and the wrong treatment that I have witnessed from a lot of unprofessional staff members at Morris. They do not live by the oath or mission as stated.	3/7/2019 3:42 PM
