

GRADUATING SENIORS!!!

PREPARE FOR YOUR BIG DAY!

**Verify Cap & Gown Measurements
Before February 23, 2026**

All graduating seniors that have applied for graduation need to check the weight and height stated on their **APPLICATION FOR GRADUATION**. Accuracy is important so that your gown will fit. Your height should include the height of the heels on the shoes you plan to wear. For example, if your height is 5'2" and you plan to wear shoes with 2" heels, you should give your height as 5'4".

Cap size should be a number size (not S, M, L). **CHECK YOUR APPLICATIONS NOW**. Call the Bookstore at (803) 934-3989 to verify your measurements and cap size. The **FEBRUARY 23, 2026** deadline is fast approaching. Don't miss out on placing your order.

If you have not applied, do it **TODAY!** Time is of the essence.
