

Access Graduation Live Stream Morris College Official Facebook Page

(Test your browser at least 15 minutes before ceremony begins)

Via Desktop, no Facebook Account

- 1) Access your Internet Browser (Chrome, Firefox, Explorer, Safari)
- 2) In the search box type <https://www.facebook.com/MorrisCollege/>
- 3) This will bring you to the official Facebook Page for College

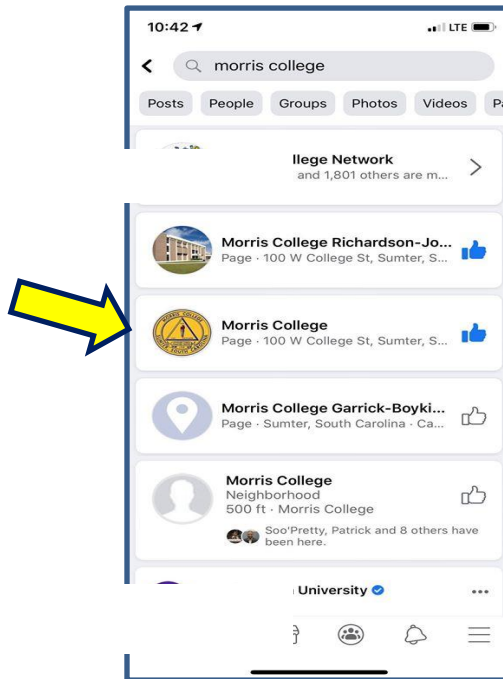

- 4) On the left side of the screen look for Videos

- 5) **On the day of graduation** click the videos link and you will see a video with the Live Icon above it, and that will be the live stream for the graduation.

Via Facebook Account (Mobile Device)

- 1) On your smartphone, tablet open the Facebook App (if you need to download the app it is available via Google Play, or the App Store.
- 2) In the Facebook App search for Morris College

- 3) You will click on the official Morris College Page (Profile Picture will be the school seal)
- 4) On the day of graduation on the main page you will see a live video - that will be the live stream for graduation
