

“Lift Ev’ry Voice and Sing”

*Music: J. Rosamond Johnson
Words: James Weldon Johnson*

Lift ev'ry voice and sing,
Till earth and heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise,
High as the list'ning skies,
Let it resound loud as the rolling sea.

Sing a song, full of the faith that the
dark past has taught us,
Sing a song, full of the hope
that the present has brought us,
Facing the rising sun
of our new day begun
Let us march on till victory is won.

Alma Mater

MORRIS our college dear
With hearts all filled with cheer
We come to thee;
Throughout life’s checkered ways
Thy name we’ll ever praise
Teacher of youthful ways
All hail to thee.

When from our homes we came
To own thy lofty name
Breathe courage free;
Parents and teachers dear
Calmed by the lack of fear
Pay homage through the years
All hail to thee.
Composed by: Ms. Ida Y. Pullens, 1924

“ Smile" by Kirk Franklin

*(I dedicate this song to the 2019 graduates
and their struggles to reach this day).*

Today's a new day, But there is no sunshine
Nothing but clouds, And it's dark in my heart
And it feels like a cold night

Today's a new day, But where are my blue skies?
Where is the love and the joy, That you promised me?
Tell me it's alright
I almost gave up, but a power, That I can't explain
Fell from Heaven like a shower, Now

I smile, Even though I hurt, see, I smile
I know God is working so I smile
Even though I've been here for a while, I smile, smile ..
It's so hard to look up when you've been down
Sure would hate to see you give up now
You look so much better when you smile, so smile

[Repeat once from top]

Smile . . . for me, Can you just smile for me?
Smile . . . for me, Can you just smile for me?

Oh, Oh, Oh,
You look so much better
when you, Oh, Oh, Oh (8x)
You look so much better when you smile

I almost gave up, but a power, That I can't explain
Fell from Heaven like a shower, Now

I smile, Even though I hurt, see, I smile
I know God is working so I smile
Even though I've been here for a while, I smile
It's so hard to look up when you've been down
Sure would hate to see you give up now
You look so much better when you smile, so smile

Oh, Oh, Oh, You look so much better
when you, Oh, Oh, Oh (8x)
You look so much better when you smile
