

Assistant/Associate Professor of Elementary Education

The selected candidate will teach 12 to 15 credit hours of undergraduate level courses each semester from the college's curriculum in the Elementary Education major program, participate in professional meetings and conduct scholarly research. Additional duties include providing academic advising to students, supervision of student research as well as pre-professional field experiences and other requirements leading to professional licensure, and service on various college committees.

A Master's degree in Education with certification in Elementary Education is the minimum qualification for this position. However, an earned doctorate in Education with a specialty in Elementary Education along with previous college-level teaching experience is strongly preferred.

Application Procedure:

Submit a cover letter, résumé, three letters of recommendation, and official academic transcripts to Abby Lawson, Director of Human Resources at alawson@morris.edu or by mail at:
