

Assistant/Associate Professor of Cybersecurity

The selected candidate will teach 12 to 15 credit hours of undergraduate level courses each semester from the college's curriculum in the Cybersecurity major program, participate in professional meetings and conduct scholarly research. Additional duties include providing academic advising to students, supervision of student research and service on various college committees.

A Master's degree in Cybersecurity is the minimum qualification for this position. However, an earned Ph.D. in Cybersecurity or a related area along with previous college-level teaching experience is strongly preferred.

Application Procedure:

Submit a cover letter, résumé, three letters of recommendation, and official academic transcripts to Abby Lawson, Director of Human Resources at alawson@morris.edu or by mail at:

Morris College
100 W. College St.,
Sumter, SC 29150-3599.

Morris College is an Affirmative Action, Equal Opportunity Employer and does not discriminate against any individual or group on the basis of gender, sexual orientation, gender identity or expression, age, race, color, religion, national origin, veteran status, genetic information, or disability.
