## Authorization to Invite a Guest Speaker or Musical Group to Make a Campus Academic Presentation

Please check one: \_\_\_\_\_ Academic Presentation \_\_\_\_\_ Non-Academic Presentation

Morris College maintains a policy whereby all persons who are to be invited to the campus as guest speakers or as musical groups must first have been approved by the President. Program directors, organization sponsors, and classroom professors/instructor should not inquire regarding the availability of a prospective guest speaker or musical group without first having obtained Presidential approval of the prospective speaker or group. If you direct a programs, sponsor a student organization or teach a class with responsibility for extending such an invitation, complete one copy of this form and submit it to your immediate supervisor ***at least five working days*** prior to the date that you plan to extend the invitation. The form will then be forwarded to your approval, and once the form has been returned to you with the President's approval signature, you may then extend the invitation.
